Sir,

I have the honour to submit for the favourable consideration and sanction of the Chief Commr an application from Mr R G Hodson, Inspector of Schools, First Circle, to be granted privilege leave of absence for three months from the 6th of March, or such date as he may be able to avail of it. Mr Hodson is by the Code entitled to the leave, and applies for it in consequence of ill health incurred in connection with Famine work and through the extreme sickliness of the season in the Hassan District where he has since been engaged in inspection.

It was proposed to Mr Richter that he should act for Mr Hodson during the three months, without prejudice to his own duties as Inspector of Schools in Coorg. But he has declined the offer. I would therefore propose, as the most economical arrangement and one attended with the least inconvenience that the current work of the First Circle Inspector should be attached to my office for the time being.
